HeartSync

Jesus ensures the continuation of his ministry to the brokenhearted through the agent of the Holy Spirit:

- John 14:16-17a; I will ask the father, and He will give you another Counselor to be with you forever-the Spirit of truth.
- John 16:8; He will convict unto sin and righteousness...
- John 14:26b; He will teach you all things and remind you of everything I have said...
- John 16: 13a; But when he, the Spirit of truth, comes, he will guide you into all truth.
- John 8:32; Then you will know the truth, and the truth will set you free.

Immanuel-HeartSync Approach

Recall that:

- Deut 31:6 "I will never leave you or forsake you."
- Mat 28:20 "Lo I am with you always..."

Basic Steps of the HeartSync Ministry Approach:

1. Confession
2. Covering Prayer
3. Divine Encounter
4. Thanksgiving
5. Explore: Work with the Presenting Part to resolve existing conflicts and spiritual attachments
6. Expand: Invite other Core Parts into the relationship with Jesus to resolve existing conflicts & spiritual attachments

3

- Center Stage
- The Center of Consciousness
 - A place of site-specific ministry for
 - Core Parts
 - Painful Memories
 - Ego States
 - Alter Personalities

4

Heart Sync

The Center Stage:

Jesus brings each of the Core Parts, Painful Memories, Ego States, or Alter Personalities to this place of site-specific ministry to address

- Conflicts keeping them separated from Jesus
- Conflicts that keep them separated from each other (most often between Function and some Emotion dynamic)
 - Conflicts almost always involve a Guardian
- Working with a Guardian is the best way to facilitate synchronization

5

Heart Sync

- Any Lower level demonic attachments
- Any higher level "power & principality" assignments or attachments
- The Release of Trauma and Pain (which prohibits synchronization within the entire heart, soul, mind, spirit complex, as well as with God and others)
- Prayer for Holy Spirit infilling

6

Heart Sync

The Importance of Releasing the Effects of Trauma in Center Stage Ministry:

- Trauma Defined: Trauma is when pain exceeds capacity for joy, and seems as if the painful experience becomes locked in time and space.
- I have learned through my own experience and others, the importance of praying for the release of the effects of pain and trauma. The "Release Prayer" may be necessary to use with any one of the Core Parts.

7

Praying for release of Pain and Trauma

8

Severely broken-hearted people, when overwhelmed with trauma, created subdivided parts, or extensions through a single traumatic or related events.

9

Heart Sync

KEY:
Synchronizing the Core Complex and their subsequent participation in all center stage ministry, allows ministry received through the Core Parts to filter to extended levels of alters created through the same traumatic or related thematic events.

- The rate of healing increases EXPONENTIALLY.

10

Heart Sync

SUPER BONUS KEY:

- Synchronizing the three Core Parts with the Original Self and God often results in an amazing spiritual connection with one's God given identity and corresponding spiritual experiences.

Benediction:

May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ. The one who calls you is faithful and he will do it. (1 Thess. 5:23-24).
