Freedom

Putting off what keeps us in bondage.

1. Process for tearing down strongholds.
2. Process for overcoming wounds from the past.
3. Protection from false teaching.

Discipleship helps people find **FREEDOM** from what keeps them stuck and unable to grow.

6

Process for tearing down strongholds

- **S**in we commit
- **O**ccult we experience
- **U**nforgiveness we embrace
- **L**ies we believe
- **L**ineage we overlook

7

Process for overcoming wounds from the past

8

Why churches go wrong

1. They pursue only half the mission
2. They build on a distorted worldview

9

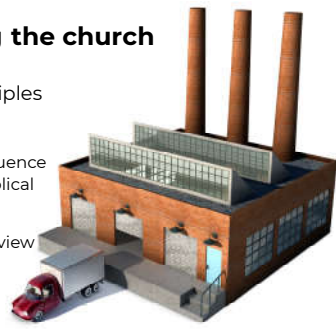

Two halves of the mission

TASK	RELATIONSHIP
VISION	MATURITY
MISSION	COMMUNITY
SERVICE	GROWTH

10

Re-engineering the church

1. Goal: mature disciples
2. Worldview:
 - Moving past enlightenment influence
 - Rediscovering a biblical worldview
 - Rediscovering a supernatural worldview
