Dear [SALUTATION],

I'm not sure what 2024 has been like for you, but it has definitely been a roller coaster for me. On the one hand, it was a year of incredible highs.

- The publication of my new book, ***Breakthrough! 5 Essential Strategies for Freedom, Healing, and Wholeness***, along with several major radio interviews related to the book.
- Fantastic responses at two major Christian conferences (***Disciple Making Forum*** and ***Hope for the Heart***) where Deeper Walk was the talk of the event.
- The opportunity to go on my **first-ever sabbatical!**

Thank you for your support in this incredible ministry! You help change people's lives, like:

- **Chaplains in Ukraine** who are being equipped through our School of Ministry.
- **Local pastors in South Africa** and **missionaries in Chad** who are using free Deeper Walk materials for leadership development.
- The church in Texas that had **2,000 people** go through our Spiritual Warfare material.
- **Betty in Beirut, Lebanon**, who thanked us for free resources which are helping her and her church in the midst of anxiety and fear as conflict grows in the Middle East.

While this was a year of many highs, it was also a year with some lows. Our capital campaign did not raise the money we needed to launch the Joy Center, and we are now hoping it can continue as a separate non-profit ministry. I appreciate your prayers as we sort through next steps.

Knowing that we all are facing challenges, our theme for 2025 is "**Rise Above.**" It comes from God's promise to us in Isaiah 40:31,

*"...those who trust in the Lord will renew their strength; they will soar on wings like eagles; they will run and not become weary, they will walk and not faint."*

As we seek to **rise above** in 2025, we are praying God will fulfill these three dreams:

**DREAM #1 - Put the “international” into Deeper Walk International.** That process has already begun. TCM International Institute is taking our training to thousands of people in Africa, Asia, and Europe. We have had engagement from over **105+ nations** with our **podcast** and **website** and published a **Spanish language book** on spiritual warfare. We’re praying for even more open doors!

**DREAM #2 - Create a heart-focused discipleship system that is used by Christians everywhere.** We are in the middle of a major project to provide **free small group curriculum** and affordable courses for individuals and groups that want a deeper experience of heart-focused discipleship.

**DREAM #3 - Multiply prayer ministers to serve hurting people everywhere.** The Deeper Walk School of Ministry is on course to train our 100th prayer minister next month! We pray this is only the beginning and that thousands of certified prayer ministers will provide an invaluable resource to real people with real problems.

We are trusting God for \$100,000 by December 31st to help realize these goals in 2025.

*This ministry is not possible without wonderful supporters like you! Thank you for considering an end of year donation to help make these dreams come true!*

Blessings,

*Marcus Warner*
