

# The 4 Habits of Raising *Joy-Filled* Kids

## HOST AN EVENT: **THE FOUR HABITS OF RAISING JOY-FILLED KIDS**

In *The Four Habits of Raising Joy-Filled Kids* you'll get biblically sound, relationally healthy parenting tools and guidance, all grounded in the latest neuroscience.

In this dynamic training you will discover a toolbox full of skills that you can use to help your children grow in maturity and live with greater joy.

- Simple, practical tools for parenting at each stage of life.
- The necessary shifts to make in your parenting style as your children progress from infant to child to young adult.
- How to build security that will last a lifetime.
- How to build maturity in your child and help them launch successfully.
- Why it's never too late to repair and make a difference as a parent.
