DEEPER WALK INTERNATIONAL

ECFA ACCREDITED

November 19, 2026

Dear FIRST NAME,

At a recent event, a man and his wife came up to talk with me. He'd found *Understanding the Wounded Heart* on RightNow Media, looked us up, and started reading our books and taking our courses.

Then he teared up. He told me his wife had walked him through a freedom prayer, and he experienced a deliverance he didn't even know he needed. "I can't thank you enough for what you do," he said. "It has changed my life."

I want more people to have that moment. This year, we took two big steps toward that end.

Our Heart-Focused Discipleship curriculum is now complete.

We completed the F.I.S.H. courses this year with *Deeper Walk Essentials.* This six-week course is the perfect starting point for churches, small groups, and individuals who want to experience heart-focused discipleship.

Deeper Walk Essentials provides an overview of the F.I.S.H. model and introduces each of its four pillars. From there, participants can continue their journey through *Freedom*, *Identity*, *Spirit & Scripture,* and *Heart-Focused Community.*

And on Giving Tuesday, we're making *Deeper Walk Essentials* free for everyone.

Watch your inbox on December 1. We'll send you everything you need to access the course free of charge at deeperwalk.com.

We're able to offer this resource at no cost because of the generosity of ministry partners. ***Your gift helps ensure that money is never a barrier to experiencing heart-focused discipleship.***

DEEPER WALK INTERNATIONAL

ECFA ACCREDITED

This year, we've continued to see God bring healing, freedom, and breakthrough to people around the world. Here's just a glimpse of what God has been doing:

- *"Deeper Walk has changed our lives. We have grown in Christian maturity and in freedom both online and locally through what we're learning!" - Ann & Mike, Virginia*
- *"We are now taking our leaders through the Freedom Course in Russian. This is equipping them to find freedom themselves, and to bring it to the many people they serve." - Pastor Andrey P.*
- *"I honestly never really believed that Jesus could talk to someone like me, but I have forever changed my mind." - Gabrielle, high school student*

We're working with partners to translate the F.I.S.H. curriculum into Russian and Ukrainian, and the stories of impact are starting to come in. With your help, we plan to translate the courses into Mandarin, Hindi, and Spanish next and make them available completely free.

Half of our annual budget comes from people whose lives have been touched by this ministry. We're trusting God for $150,000 by December 31 to see more lives changed in 2027.

Will you give today? Your generosity puts these courses in the hands of people who couldn't afford them, and in languages billions speak. You can scan the QR code or visit **deeperwalk.com/donate.**
